

**Marlton**  
ASSEMBLY OF GOD

May 15, 2020

Dear Church Family,

In response to the ongoing impact of the Coronavirus (COVID-19) and the rapidly changing local and federal government policies, all weekend, midweek and youth services, as well as small groups and other scheduled events *are canceled until further notice. We will continue to provide updates through our website and social media as decisions about future services and events are made.*

The health and safety of our congregation is our #1 priority. This decision was made not out of fear but with wisdom in order to protect Marlton Assembly of God families and our communities. Our plan is to upload video online messages/services that will continue to provide ongoing Discipleship and keep us connected. They will be available on our website, MAG App and social media during our regular service times and throughout the week. In uncertain times, we continue to look to Jesus and draw confidence from our Heavenly Father who is sovereign over all things!

Although we are not meeting in a physical building, the ministry and mission of our church is continuing to *March On*. With that in mind, as a reminder there are several ways you can continue to give your Tithe and Faith Promise. Thank you for your unceasing faithfulness!

**Please join us in prayer in these specific areas**

1. Pray we will be driven by faith and not fear.
2. Pray for the people who have been greatly impacted.
3. Pray for our missionary family and global partners.
4. Pray for hope, the Blessed Hope, of Christ.

Our God is not surprised by the condition of our world. We place our hope and trust fully in Him. Thank you for your understanding. We are privileged to serve Christ alongside you.

Blessings and Divine Protection to you,

Pastor Jon Wegner
